# IT'S A FULL DAY IN THE WOODS!

Your camper's day begins between 8am and 8:45am when the bus picks him/her up at the designated neighborhood pick up point. The camp day runs from 9am to 4pm, with a snack provided mid-morning. Your camper will then be dropped off at the pick up point between 4:15pm and 5pm ready to share with you his/her adventures of the day.

## ACTIVITIES

*Canoeing and Kayaking:* Campers will be able to work on their canoeing and kayaking skills on our 2 acre lake. The gates will be up, and we promise a challenging and thrilling week.

*Archery:* Archery provides campers time out from their active schedule and a chance to focus on their targets. Counselors maintain strict safety measures by using the guidelines set by the National Archery Association.

*Rock Climbing:* Our 27' training wall provides campers the opportunity to safely learn and practice rock climbing skills. Small class sizes mean more time on the wall.

*Native American Indian Crafts and Games:* This activity is a big hit with campers. Using materials found in our own woods, John Fishback teaches crafts and games in the manner of the Native Americans.
